<https://www.lessonly.com/blog/sample-self-evaluation-performance...>

Companies now use self-performance evaluations in addition to evaluations from management. Being a good self-evaluator is as critical as being an excellent performer. Being able to put your achievements and growth into words will impact what management

Performance appraisal

A performance appraisal (PA), also referred to as a performance review, performance evaluation, (career) development discussion, or employee appraisal is a method by which the job performance of an employee is documented and evaluated. Performance appraisals are a part of career development and consist of regular reviews of employee performance within organizations.
